

A Food Poverty Action Plan for Exeter

Our Underlying Principles

- ✓ Enough nutritious food is a basic **human right**
- ✓ Enough nutritious food is an essential ingredient of **Health and Wellbeing**
- ✓ Food poverty is primarily caused by **inadequate income**
- ✓ Our response must tackle the **causes** as well as the **impact**

Developing the Action Plan – the process

Understanding the issue

- Public Health Dashboard data
- Quick Survey to raise the issue
- Interviews with Foodbank users

What's already being done

- Workshop with food support agencies
- Mapping of provision

Action planning

- This Summit gathers ideas
- Establish a new multi-agency Partnership
- Produce & agree the Action Plan
- Implement and monitor

Food Poverty Summit Aims

- Share our understanding of the issues
- Join up our response
- Develop a strategic approach
- Create a broad Partnership
- Generate content for a Strategy and Action Plan
